### About Me

I am a dedicated and motivated B.Sc. CSIT student at Amrit Science Campus with a passion for technology and problem-solving. I enjoy building practical software solutions and continuously expanding my knowledge in programming, web development, and data structures. With strong analytical skills and a collaborative mindset, I aim to contribute to impactful tech projects and grow as a future IT professional.

Curious by nature, I actively explore emerging technologies and contribute to personal or academic projects that challenge my skills. My goal is to grow as a versatile IT professional and contribute meaningfully to the tech community.

### Education

**Shree Secondary School Dudhiawa, Rautahat, Nepal**

2019 - 2023

#### Computer Engineering

I have completed a comprehensive four-year computer engineering technical education program from class IX to class XII, accredited by the Government of Nepal. Acquired a solid foundation in diverse aspects of computer engineering, showcasing dedication and commitment to academic excellence.

**Amrit Science Campus, Kathmandu, Nepal**

#### Bsc.CSIT (Undergraduate)

Pursuing a dynamic blend of Computer Science and Information Technology with hands-on experience in programming, software development, and system design. Focused on building a strong technical foundation for a future in the tech industry.

### Training/Certification

**Global Institute of Computer and Language  
Training Pvt.Ltd**

Duration: 5 months (600 hours)

Diploma in Computer Application

### Achievement

- License Holder (Category A,B)
